

June, 2024

Dear Long Standing Supporter of our Local Community,

We are incredibly grateful for your support of our 100 year celebration. Your contribution helped to make our vision of raising funds for worthwhile community groups such as, Routes Youth Centre, Dundas Community Services and Dundas Museum & Archives, a reality. Your support helped us raise and donate over \$5000!

Our two celebratory events were both successful and fun! The silent auction and raffle was well attended with over 100 items that were raffled and bid upon. Professional singer, Adam Castelli entertained the crowd, food and drinks were enjoyed, time was spent catching up with long time friends, and of course bidding on wonderful items. The Parade in the Park was another wonderful event with many participants, vehicles, speeches, local celebrities, cake cutting and even some tennis!

It is your continued support that makes our community a great place to live. Thank you again for your generosity to help commemorate our 100 years of Tennis Service to the community.

Sincerely,

Dundas Tennis Club
